Whānau Pocket Guide NCEA

A guide to equip and empower whānau to
have a better understanding of the NCEA
changes and how to support your tamaiti
to achieve success in their learning!

Getting to know NCEA

How NCEA will work for your whānau

There are three levels of NCEA certificate

- » Ākonga generally work through levels 1 to 3 in Years 11 to 13.
- » Each year, ākonga study subjects or courses.
- » In each subject, skills and knowledge are assessed against standards.
- » Kaiako use internal and external assessments to measure how well ākonga meet these standards.
- » When ākonga achieve standards, they gain credits.
- » Ākonga must achieve a certain number of credits to gain an NCEA certificate.

2021 Requirements

NCEA LEVEL 1

80 credits at any level
(level 1, 2 or 3)
including literacy and numeracy.

NCEA LEVEL 2

60 credits at level 2 or above
+20 credits from any level.

NCEA LEVEL 3

60 credits at level 3 or above
+20 credits from level 2 or above.

At each level, ākonga must achieve a certain number of credits to gain an NCEA certificate. Credits can be gained over more than one year.

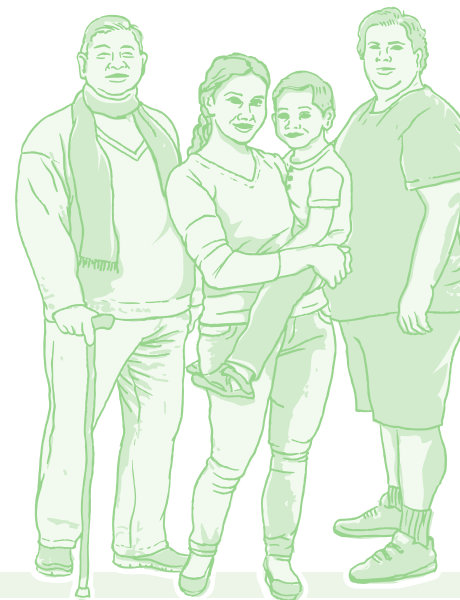

From **2023**, ākonga will need to achieve 60 credits at each level to gain an NCEA qualification and meet the new literacy and numeracy requirements.

Mahi Tahi – Working Together

It is important that you continue to work alongside your tamaiti and keep connected with your kura.

The following may support whānau-led conversations with kaiako:

- » Will the NCEA changes affect my child this year? How?
- » Who can I ask about the NCEA changes?
- » What can I do to support my tamaiti?
- » Who should we go to if things aren't working?
- » Is my tamaiti choosing the right subjects to achieve their dream job or career?
- » How is my tamaiti progressing? Are there any concerns?
- » What careers or pathways help is available at our kura?

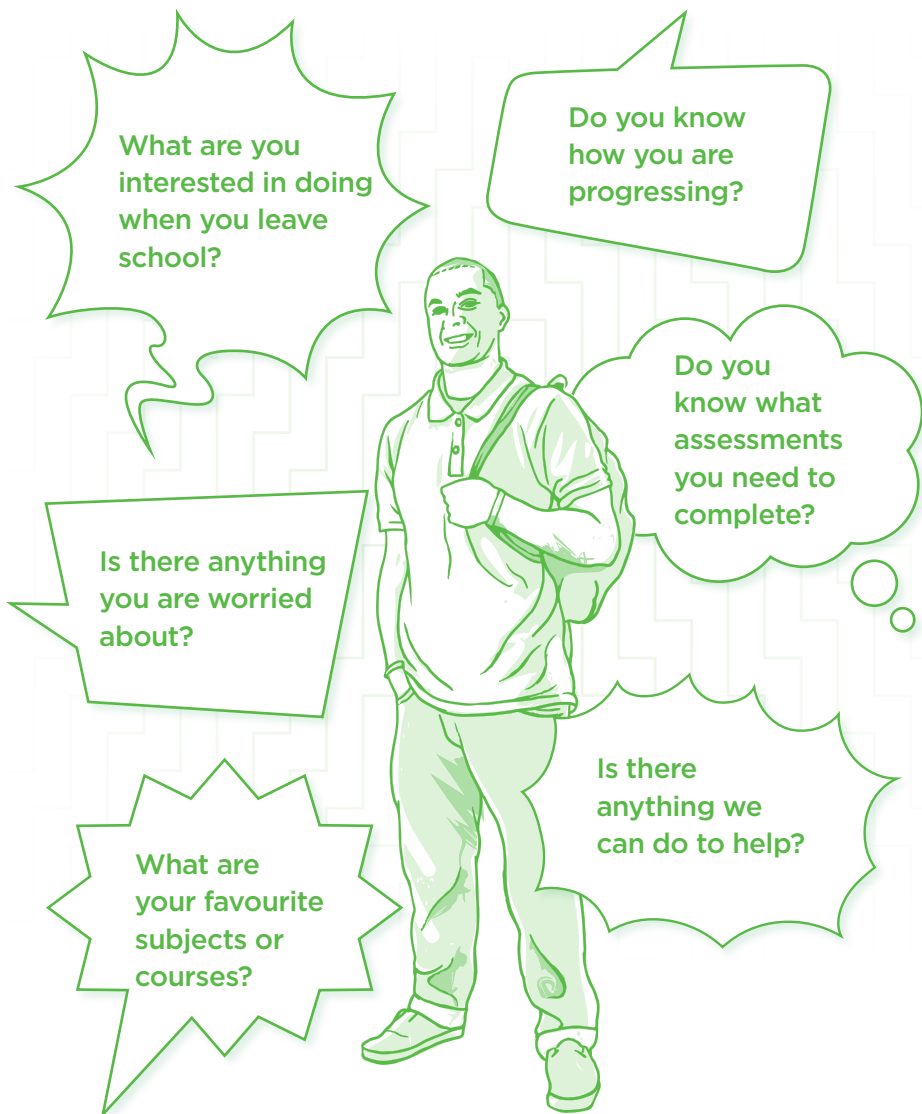

**Set a goal, step it out, keep it real,
and work it out together.
Be loud and proud whānau and support your tamaiti.**
