## Army Officer

30 June 2022 7pm

Officers are our leaders. They're the ones who can take control of a situation, command people and resources efficiently and make the necessary calls under pressure. They're driven, ambitious and passionate about what they do.

## Combat Spec

13 July 2022 - 7pm

Combat Specialists operate in a range of different environments. You will be introduced to the strategy and skills for combat, before branching into Infantry, Gunner or an Armoured soldier towards the end of basic training.

## Intelligence/Communications/IT

25 July 2022 - 7pm

Join our team of highly trained specialists in the world of intelligence, IT and communications. You can gain access to world class training and work on high tech equipment that won't readily see in the civilian industries.

## Apprentice Trades

18 July 2022 - 7pm

Learning the craft, skills and techniques of your trade will be your calling. You'll be shown the ropes, from the basics, all the way up to advanced capabilities. With our on-the-job training, you'll get real-world, transferable skills. With experienced guides giving you their advice, there's no better way to become expert at the trade you love.

## Army Reserves

13 July 2022 6:30PM

The primary role of the New Zealand Defence Force is to protect New Zealand from security threats. As a Reservist, you will utilise your military skills in a wide range of situations from assisting in civil emergencies to operational deployments overseas.

## Engineering & Tech

20 July 2022 - 7pm

Your life will be varied and interesting, as you get to grips with maintaining, repairing and diagnosing any problems with our most complex equipment. There are many roles available, each with its own set of skills required.

## Hospitality, Logistics and Driving Trades

01 August 2022 - 6:30pm

Hospitality, Logistics and Driving roles are all about providing support to our troops that is vital to the mission. This support comes in many forms and is provided both in camp and in the field. From providing world class food service to keep an Army moving forward to planning and managing the movement of equipment and people to the right place at the right time. These trades hold the perfect balance of physical and mental skills.

## Medical & Health

08 August 2022 - 7pm

Life in a Medical and Health role can require anything from compassion and emotional intelligence, to high levels of medical knowledge. Whatever your role you'll be called upon to put your abilities to the test, exactly where they're needed most.
