

What is Home & School?

What's our role?

We are less formal than the board of trustees and it is our role to support the school and teachers in matters outside of the curriculum. We organise fundraising for special projects (like the upgrade of the playground etc), coordinating fun events like a children's disco, welcoming new parents to our school and helping to build strong relationships between parents, teachers, and the whole school community.

Who can be on the committee?

Any Mum, Dad or Caregiver can join Home and School. We aim to meet once a month, usually for an hour. Being on the committee does NOT mean you are solely responsible for every fundraising venture that arises. We join to see the collective skills of the group and come up with some awesome concepts then enlist those that are keen to get things done.

Why fundraise?

Twizel Area school is a decile 8 school. This means we do not receive as much funding, as lower decile schools do, from the government. The Home and School support the school and Board of Trustees to raise money for resources not covered by the limited funding, eg extra sports equipment, play equipment, sunscreen for the classes, extra learning resources for the children.

Where does the money go?

All money made by Home and School goes straight back into benefiting the children and teachers. This comes from a discussion with parents, teachers and children. Any person can make a suggestion on what they feel is required or what area would be benefited by a cash injection from home and school.

Sound like you - join up, either to be a committee member or just to help out occasionally.

Keen to hear more....

MOW Bar

Wed 21st Sept

6:30pm - 8pm nibbles provided
