A R E A S C H O O L

29th November 2023

We are pleased to announce our plans for our final week of the school year. It looks a bit different in 2023 to previous years, due to staffing and inclement weather expected early next week.

We did have plans to take students on Outdoor Ed trips at the beginning of the week. These trips will now be run early in 2024 and there will be more information regarding this next year. Instead, students will be in timetabled classes on Monday and until lunch on Tuesday. On Tuesday, students will be split into groups and begin work to prepare for activities over the remainder of the week.

Outline of the week:

Wednesday

Morning: Group activities at school (spider web, sack races etc)

Afternoon: An adapted 'Tin Man' triathlon activity. Students will work as a group and either bike, swim or run. This will be based on school grounds and in the surrounding area.

Thursday

A range of activities (some at school and some off site) that students will be able to opt into. Students will be sent a Google Form to sign up by the end of the week.

Friday

Morning: 'Top House' activities

Afternoon: Pool party/ water day and picnic. This will involve the entire school (Y1-10)

Students will wear PE gear or school uniform for this week, dependent on activities. More info will be given to students on Monday.

We are looking forward to the week and think it will be a fun end-of-year that everyone will enjoy.

Ngā mihi,
Charlotte Saunders
Deputy Principal
